

# United States Interagency Council on Homelessness

*Preventing and Ending Homelessness in the United States*

## Ten-Year Plan Update

*Mayors and County Executives from across the country have partnered in 342 jurisdictional Ten-Year Plans*

*Criteria* - USICH has included all published plans to end homelessness that have been developed by states and jurisdictions. USICH has not reviewed the content of the plans, monitored plan implementation, nor verified that current state and jurisdictional leaders have adopted the published plans. The existence of published plans was verified by the presence of a written document or availability of plan online.
